## Editorial

We all enjoyed last month's 35th AGM with the attendance of past convenors and Denice's interesting potted history of how the Branch began. This was followed by the cutting of a celebratory cake by June Pritchett, the first convenor. It was a good night!

See more photos on page 5.

Don't forget to send in your Brickwalls as soon as possible for the meeting on July 23rd. It's a great opportunity to get the collective brain working on the problem.

Email all the information you have to **kapitigen"at"gmail.com** with the subject line BRICKWALLS

If you can help with the research Ian Brooking would love to hear from you at the above email address. Every family is interesting and every search is a learning experience. By helping others you will gain heaps yourself.

The intention is to summarise the process of solving (or not) 3 or 4 of them for presentation at the July meeting.

Please note on page 3 that John Glover is looking for volunteers to help with the final checking involved in the Schools Admissions Registers project. It does not involve computer work.

Apologies for the small print in the reprinted article on page 4. It will be worth your while to enlarge it. It's an inspiring story.

The Committee is anxious to ensure the Branch meets the needs of all its members. Please do contact us with your ideas, feedback and suggestions. It's your Branch.

## Branch news

**New Secretary.** Following the AGM last month, the Committee is delighted to welcome Colin Cameron as the new Branch Secretary. See page 3.

**Many thanks from all Branch members to Denice McCarten** who stepped down from the role of Branch Secretary and the Committee after several years of efficient and reliable service. Denice has been essential to the smooth running of the branch and has played a large part in Branch activities. In future she will be assisting Ian Brooking in the important job of organising the programme.

**Don't forget** to send in your BRICKWALLS now! Email all details to **kapitigen"at"gmail.com** with the subject line 'Brickwalls.' Don't delay. Give researchers time to attend to your problem!

### 2019/20 pink membership cards

All those who have renewed for the current year (to 31 Mar 2020) should have received their new pink cards by now (thank you). Except for one person who paid (or joined) at a meeting but didn't provide any contact details, and the person who paid money into our bank account over the counter, and again no details (we prefer internet banking for this very reason).

Given they will not be on the mailing list, if you believe you know who either of these people might be, please advise them to get in touch!

## Schools Admissions Registers Project

Quarterly Progress Report for the second quarter of 2019, on the Schools Admissions Registers Project of the Kapiti Genealogy Group, assisted by Waikanae genealogists.

We have transcribed all the available data from schools in the area that have given their consent. Our efforts are now concentrated on checking the transcribed data against the original registers, and correcting any errors that are found.

Below is the progress made on each school:

Paekakariki School	Project 4640	1849 Records completed and passed to NZSG
Raumati Beach School	Project 4639	3357 Records completed and passed to NZSG, 5 Apr 2017.
Waikanae Primary School	Project 4641	7747 Records completed and passed to NZSG, 9 Apr 2018.
Paraparaumu Beach School	Project 4643	6207 Records completed and passed to NZSG, 28 Mar 2019
St Patricks School	Project 4651	483 Records completed and passed to NZSG, 16 Apr 2019
Kapanui School	Project 4645	1978 – 2015 transcribed, 1978 – 2000 checked, 1978 – 1982 corrected
Kenakena School	Project 4653	1978 – 2010 transcribed. Checking is yet to start.

There are currently 11 volunteers from Kapiti and Waikanae.

**If anyone else would like to assist** with the checking of the remaining two schools (Kapanui and Kenakena), that would be much appreciated. This does not involve any computer work: simply a visual comparison of the original data and that transcribed.

You can email me at [pamandjohnglo "at" gmail.com](mailto:pamandjohnglo@atgmail.com). Thank you in anticipation!

*John Glover*

## Our New Secretary

Colin Cameron was elected as our new secretary at the AGM. He has had an interesting career, as you can see. Thanks for this insight, Colin.

*"I come from a farming background on the Wairarapa coast and then Northland, which extended to stints in farm related support services.*

*I rounded out my active farming career as farm and Island Manager for ten years on Moturoa Island in the Bay Of Islands, a fully operational sheep farm and designated Wildlife Reserve with endangered bird species including kiwi, kakariki, saddlebacks etc.. - along with twenty owners of holiday homes on the island who required constant mothering.*

*My genealogy interests began in the 1960s with very basic handmade family trees (pre-computer), lapsed for many years while life got in the way, and rekindled again when I retired to the Kapiti Coast. I have Scottish cousins involved in genealogy who encouraged me to get alongside them (so easy now with computers, internet and instant communication). This led to joining Kapiti Genealogy and my discovery of the fast-evolving science of DNA testing, to which I have become addicted, hugely helped by the wonderful support people within our Branch who share so willingly of their time and knowledge.*

*Marion and I have two sons and four grandchildren."*

June 2019

*Day to  
remember:  
81-year-  
old meets  
mother,  
103, after  
60 years  
of search*

An 81-year-old Irish woman has been reunited with her centenarian mother for the first time after searching for her for over 60 years, according to a media report.

Eileen Macken grew up in a Bethany Home orphanage in Dublin and had never met her birth mother. She started searching when she was 19 and last year contacted Ireland's RTE's Liveline to appeal for help to find her mother.

Earlier this year a genealogist called to say he had tracked her down in Scotland. "Once I heard that, nothing would stop me trying to

get to see her," Eileen said.

She travelled to Scotland last month and finally met her mum, Elizabeth, who is now 104, media reported. "I went over to see her and she's the most beautiful lady, lovely family, they gave me a great welcome," she told RTE's Liveline programme.

"We came in and, honestly I haven't got over the acceptance that I got. They accepted me and I had a great chat with my mother."

Eileen said Elizabeth was reading the newspaper when she saw her. "I said we were from Ireland and she said 'I was born in Ireland'. I said: 'You know I'm your daughter' and she just looked up at me and she took my hand."

"I think it's nearly gone past her, but there was such a bond between the two of us. It was fantastic."

Eileen, a mother of three, also discovered she has two half brothers. She said she did not think she would "ever come down out of the cloud" after meeting her mother.

She said she was always adamant that she should find her mum and never gave up. The meeting had made her happier than she could have imagined, she said. "We had three days of wonderful happiness that I've never had before."

## Round Robins

**A reminder** that the Round Robin Magazine Circulation annual fee is due for renewal in June and should be paid to the Branch Treasurer, John Miller. (Treasurer "at" KapitiGen.org )

The two magazines for circulation are 'Family Tree' and 'Who Do You Think You Are?' If you want to be on the list for both magazines the fee is \$30.00. Otherwise, if joining up to only one of them, the fee is \$15.00.

Please contact Bev Chappell at [RoundRobin"at" KapitiGen.org](mailto:RoundRobin@KapitiGen.org) if you wish to continue on the circulation list or you wish to join a list for the first time. Both magazine publishers have to receive the renewed annual subscriptions before commencing another year of monthly issues in the July to August period.

Further details on our website under [Resources > Round Robins](#).

Every issue has some really interesting articles, so this is a really good way of keeping up with the latest news and having access to new ideas, views and websites, without having to subscribe to the magazines. They both contain a wealth of ideas and information.

### New Records of Victorian Convicts

This week The Genealogist has released the records of over 100,000 individuals, allowing you to find the details of ancestors that had broken the law and were incarcerated in the harsh conditions of early Victorian convict prisons - including some that were only children!

The new data allows you to discover:

when and where prisoners were convicted, their crime, sentence, where and whence received, previous offences, when removed and to where.

These fully searchable records are from the HO24 Home Office: Prison Registers and Returns 1838-1875 for Millbank, Parkhurst and Pentonville.

Each resource consists of a video and a set of notes. You can pick and choose what you learn or you can start from the beginning and work your way through.

### Facilities at the

#### Alison Proctor Family History Centre

The APFHC is located at Paraparaumu Library . Turn right inside the library entrance and at the far end you'll see the six computers, microfiche and library. The cupboard on the right hand side of the area contains the red folders mentioned below.

Members need to get the cupboard key from the library Welcome Desk, when you will be asked to show your membership card.

You will need the new **pink** card for the year 2019-20.

#### Computer Password at the APFHC

The APFHC computer password changes regularly: check the red Computer Help folder in the top drawer. Keyboards are in the lowest drawer. Please sign the red signing-in book found in the top drawer.

Replace the cover on the computer when you leave and lock the keyboard in the cupboard.

We have wonderful resources on all six of our computers at the APFHC, quite apart from all the other records and books. You are encouraged to use these resources as often as you need.

All six computers have subscriptions to Ancestry, FindMyPast and access to The Genealogist, as well as free sites like FamilySearch (we suggest you use your own log-in to FamilySearch). A microfiche is available. You are encouraged to save the results of your searches on a USB memory stick or send them to your own email address. We have a printer if you wish to print a hard copy. Please put 10c per copy in the honesty box on the cupboard door.

Please **do not switch off** the printer.
